

CTE Skill Certificate Test Performance Documentation

This document must be submitted to the test coordinator at the end of each testing trimester/semester.

Course: Introduction to Health Sciences

Students in course: _____

Test Number: 700

Students tested: _____

School: _____

Date: _____

Instructor's Name: _____

This is to verify that the students marked **YES** on performance accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

- 1) Choose one health science career and create a presentation to explain the education/training required, job description, job outlook, salary, skills, working environment, and certification/licensure. (Presentation examples may include: PowerPoint, poster, oral, brochure, HOSA career health display, and video.)
- 2) Choose one disease/disorder and prepare an oral and/or written report/presentation including signs and symptoms, prevalence, treatment, prevention or risk reduction. (Presentation examples may include: PowerPoint, poster, oral, brochure, display, and video.)

Each performance is documented and kept on file by the teacher for one year.
(Check the documentation method used)

- ☐ Individual student performance tracking sheets
- ☐ A class period summary score sheet
- ☐ Recorded and identified in the class grade book

Instructor's Signature: _____
